Subject: POLICY REGARDING DELIVERIES TO SHIPS BY PILOTS

All Agents and Shipping Lines,

The Jacobsen Pilot Service (Long Beach Pilots) and Los Angeles Pilot Service are both taking further measures to protect our pilots, employees, and ship's crew from the spread of the Coronavirus.

Starting April 1st, we are instructing our pilots to not transport any mail, packages or bunker samples to and from the ships. This has always been a courtesy that we provided to our customers, but in light of the seriousness of this epidemic, we need to suspend this activity.

Thank you for your understanding.

Tom Jacobsen
President
Jacobsen Pilot Service, Inc.
